

CLEAR-LINE

DRAIN OPENER

CLEAR-LINE DRAIN OPENER is an acid based cleaner that dissolves blockages caused by organic matter in floor drains, grease traps, cesspools and septic tanks.

PHYSICAL & CHEMICAL PROPERTIES:

- pH (concentrate): <1
- Appearance: Red liquid
- Specific Gravity: 1.83

USE:

1. Pour CLEAR-LINE DRAIN OPENER slowly into drain opening. Keep eyes and face away from drain opening.
2. For small drains, sinks and tubs use 200 to 300 mL of CLEAR-LINE DRAIN OPENER. Allow product to work 5 – 10 minutes, then flush with COLD water. Do not allow water to back up into sink or tub.
3. For heavily clogged drains, repeat above application if necessary.
4. To maintain free flowing drain lines repeat application of CLEAR-LINE monthly.
5. Do not pour into tub or sink, pour directly into drain. If water is backed up, remove it first.

PRECAUTIONS:

- Wear eye and skin protection. Contains sulphuric acid. Can cause severe burns. Avoid contact with eyes, skin and clothing. Avoid breathing fumes. HARMFUL or FATAL if swallowed. Do not use with other chemicals. Do NOT use HOT water before or after using CLEAR-LINE DRAIN OPENER. Do not allow contact with porcelain, fibreglass or plastic plumbing fixtures other than pipes. Do not use on aluminum or allow to stand on porcelain, stainless steel or chrome surfaces.

PACKAGING:

- 12 X 1 litre case
- 24 X 500 mL case
